

**1<sup>st</sup> Stramshall Scout Group**

## Use of photographs

Dear Parents,

Each of our sections are involved in some great activities and events, and it is great when we can share these moments with parents/carers and the rest of 1st Stramshall Scout Group through photographs and video recordings. To do this, we may put these in a password-protected area of our website (parents will be provided with the password if media is uploaded related to their child's section) or display them in the Village Hall.

Through publicity we can also increase local awareness of 1<sup>st</sup> Stramshall Scout Group and hopefully safeguard the group for future generations. Therefore, we may occasionally submit photographs to local newspapers or the Group, District or County newsletters, or display photographs when we are participating in fundraising activities. This is for the sole purpose of celebrating and promoting Scouting and 1<sup>st</sup> Stramshall Scout Group. Please indicate on the New Starter form if you consent to your child's image being used in these ways (we will never provide the names of any young person when using any of the above media without the express permission of parents).

I would also like to remind parents to be mindful when using Facebook or other social media. Whilst this is a great way to share memorable moments of your child's involvement in Scouting activities, please do not post photos of other people's children unless you have had express permission from their parent/guardian.

Yours in Scouting

Emma Pye
